# Welcome home to Your Safe Space

PURVA believes that the spaces we inhabit should evoke emotions, elevate experiences, and make our life better.

Inspired by the warmth of family affection, PURVA was established with the intention to elevate your safe space.

Whatever we do,  
we're here to make you feel good  
by making sure to provide :

### Safety

Infused by the warmth of home and family affection, PURVA brings comfort to your safe space to embody an honest reflection of serenity.

### Self-Indulgence

Weaving together luxury, pleasure, and satisfaction, PURVA strives to provide qualities of a great flooring to instill a sense of pride in one's own space-both inside and out.

### Security

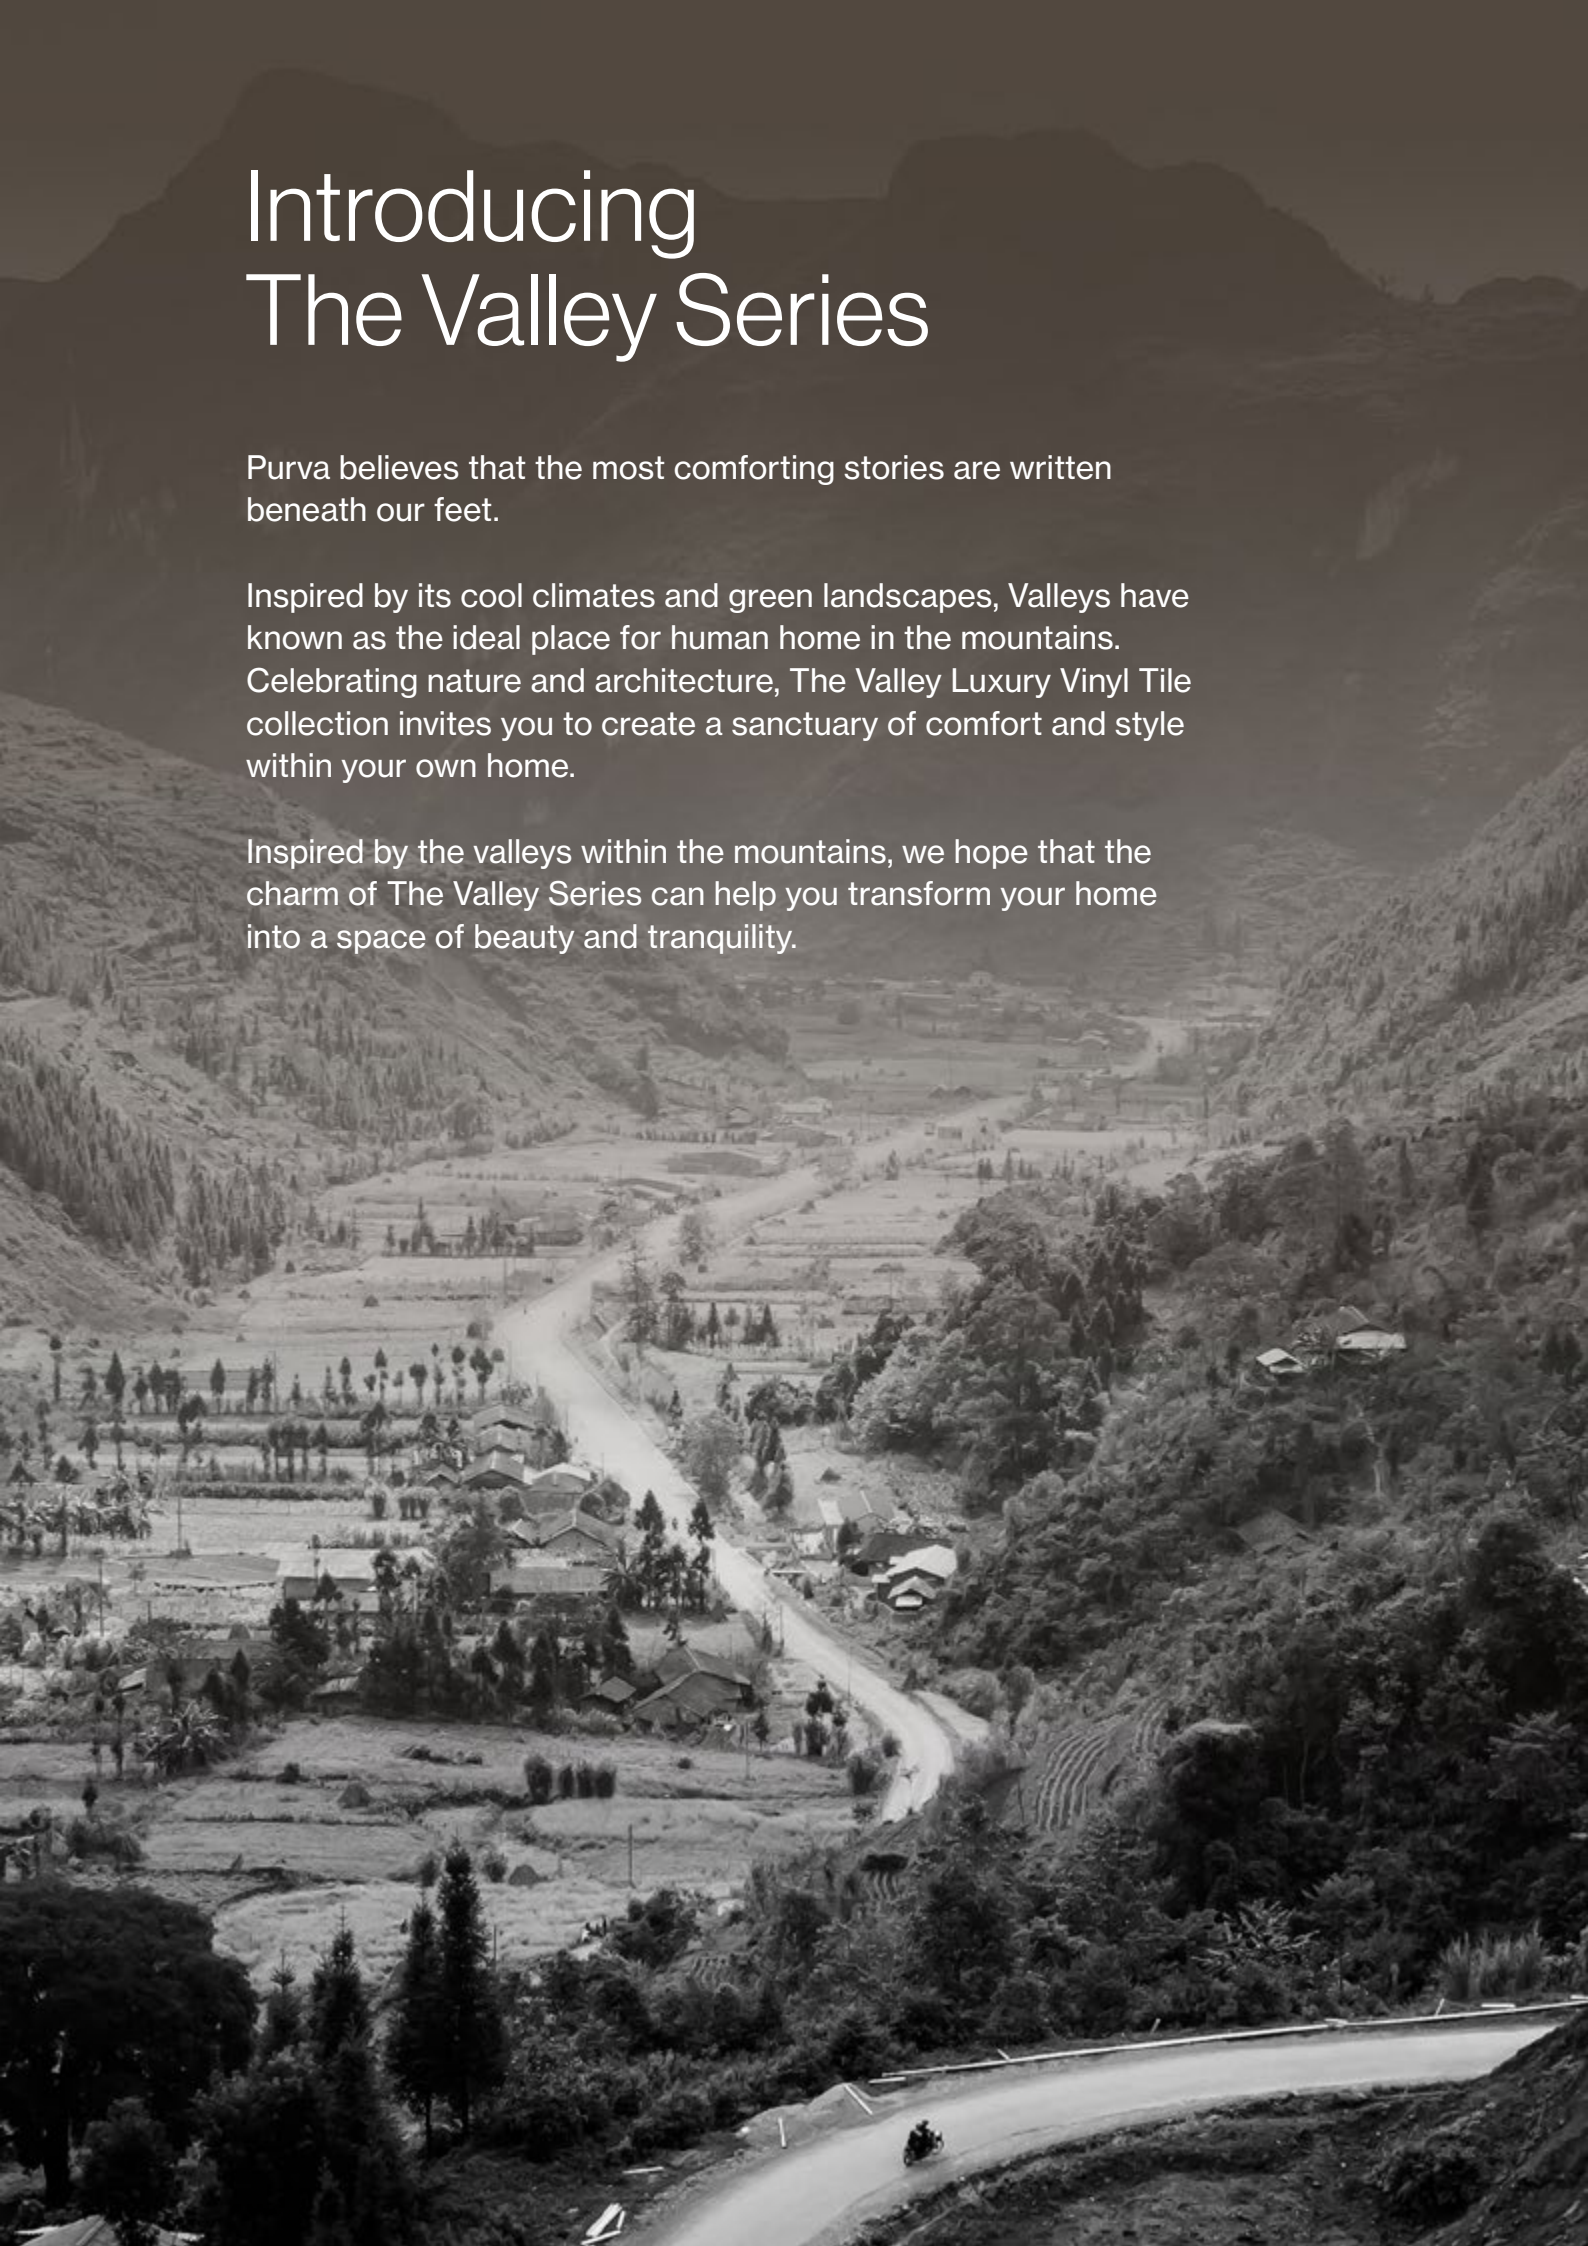

Manufactured with German Technology standards, PURVA carries the harmonious synergy of high-quality products, responsible practices, and perfect combination between function & form, thus striving to give security for your personal safe space.

# Introducing The Valley Series

Purva believes that the most comforting stories are written beneath our feet.

Inspired by its cool climates and green landscapes, Valleys have known as the ideal place for human home in the mountains. Celebrating nature and architecture, The Valley Luxury Vinyl Tile collection invites you to create a sanctuary of comfort and style within your own home.

Inspired by the valleys within the mountains, we hope that the charm of The Valley Series can help you transform your home into a space of beauty and tranquility.

# The Valley Series Product Features

## Diamond UV Shield Coating™

Provides better UV resistance, anti-scratch & stain performance than standard UV Coating. First in Indonesia.

## Antimicrobial Protected Flooring

Easy cleaning surface treatment and antimicrobial properties are built in to inhibit the growth of bacteria.

## Credential Quality with 25 Years Limited Warranty

Proven performance, protected with limited 25 years residential & 5 years commercial warranty.

## Manufactured with German Technology Standards

Ensures all manufacturing procedures are done with high quality standards aligned with ASTM & EN.

## MSR-A2 Quality with AC 3 Abrasive Rating Classification

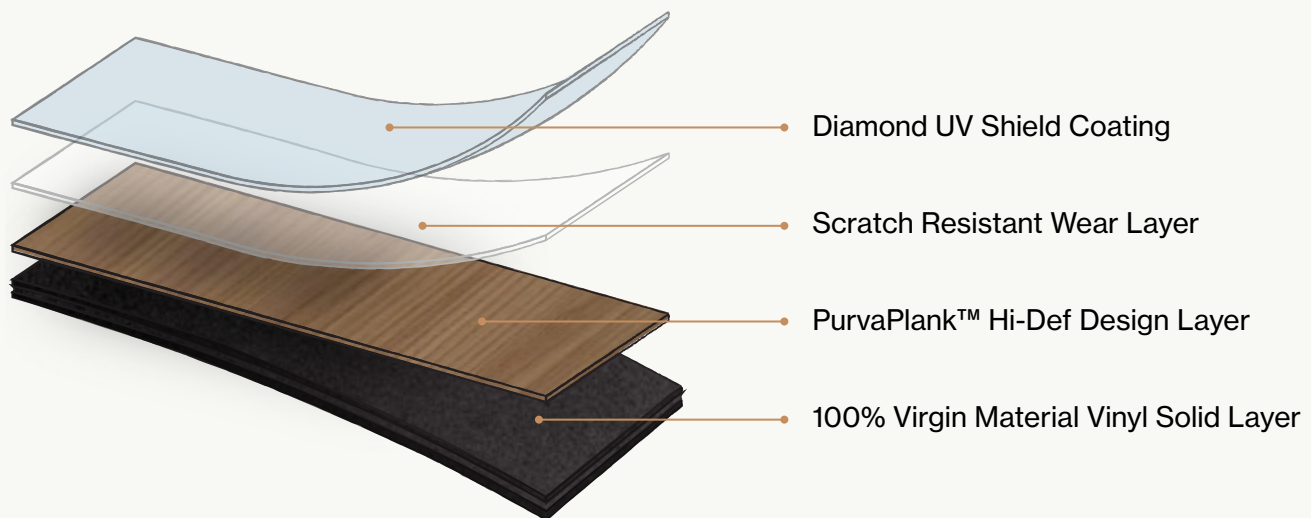

Superior durability with 0.3 mm wear layer and 23/31 European standards, suitable for high traffic usage.

## Easy to Maintain, Easy to Repair

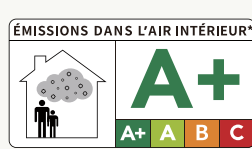

Durable and 100% waterproof. This glue-down flooring stands up to high-traffic while also allowing for individual plank replacement, saving time and money.

# Product Specification

Technical	Standards	Pass
Product Thickness	ASTM F386-17 : 3.0mm	✓
Wear Layer Thickness	ASTM F410-08(2017) : 0.3mm	✓
Residual Indentation	ASTM F1914-18	✓
Dimensional Stability	ASTM F2199-20	✓
Flexibility	ASTM F137-08(2018)	✓
Resistance to Chemicals	ASTM F925-13(2020)	✓
Resistance to Heat	ASTM F1514-21	✓
Resistance to Light	ASTM F1515-19	✓
Castor chair resistance	NALFA/ANSI LF-11: No Significant Damage	✓
Fungi Resistance	ASTM G21-15 : Rating 0, no growth	✓
Heavy Metal	ASTM F963-17 : Not detected	✓
Thermal Conductivity	ASTM C518-21 : 0.073W(m.K)	✓

## 3D Realism PurvaPlank™ Printing Design Technology

Hi-def printing technology with deeper colors and 4x more pattern clarity for the most authentic wood look.

This technology offers the benefits of a urethane with the ultra-matte visual of a true oil-finish that brings out the wood's natural beauty.
